- WORK AREA**
- MSA : chip rocks - continuos channels samples - trenches - Pole-Dipole - Magnetoteluric vertical holes - Magnetometry - Diamantine drill holes
 - SILEX: chip rock samples - continuos channels samples - diamantine drill
 - RTZ : grid soil samples - chip rock samples - diamantine drill
 - MASA : grid soil /grid rock - IP/R geophisic - RC Drill Holes
 - DGFM : grid rock - Pole-dipole - diamantine drill holes
